Malware! Click [here](#) to purchase  
recommended anti-virus software!**

**It's A Trap!**

**Don't click on pop-up ads that  
advertise anti-virus or anti-  
spyware programs.**

If you are interested in a  
security product, don't try to  
access it through a pop-up  
ad; contact the retailer  
directly through its  
homepage, retail outlet or  
other legitimate contact  
methods.

**Don't download software from  
unknown sources.**

Some free software applications  
may come bundled with other  
programs, including malware.
